

Hollins Abroad–Paris

The Marguerite Prinet Abroad Scholarship

The Marguerite Prinet Abroad Scholarship was established in 2007 by an anonymous donor, and supported by others who wish to honor the memory of Mademoiselle Prinet, an early director of the Hollins Abroad–Paris program. The purpose of the scholarship is to provide financial assistance to students participating in the Hollins Abroad–Paris program who have demonstrated financial need and who are majoring in studio art or art history and wish to expand their major by studying in Paris through the Hollins Abroad program. One or more Marguerite Prinet Abroad Scholarship recipients may be selected each term to receive funds to meet expenses not covered by the comprehensive fee, such as trans-Atlantic transportation, theatre and concert tickets, and cultural excursions within France.

Marguerite Prinet Abroad Scholarship recipients are chosen by the Art Department, in consultation with the Director of International Programs and the Director of Scholarships and Financial Assistance. Recipients are chosen from among applicants on the basis of academic merit with preference given to students with financial need, and enthusiasm for and commitment to the study of art and the French language and culture. Except in extraordinary cases, a Prinet Scholarship is not awarded for more than one term.
